Dear Autumn:

Did you know that Keep Durham Beautiful's Big Sweep event has removed nearly 180,000 pounds of litter lying around Durham?

This has been made possible **because of Durham residents like you**. We appreciate your dedication to keeping our city clean, and we ask that you continue your support and **consider donating** as part of our End of Year Giving Campaign.

Last year, the campaign brought in \$49,300. These donations allowed our city staff to plant 392 trees, host Tree Keeper training series to produce 47 new trained volunteers, and hold giveaway events to donate trees, bulbs, and seeds to Durham residents and community groups.

We would also like to invite you to **join us in our future cleanup efforts** to continue this momentum into the new year. Through donations and volunteering, you are contributing to an organization that is strongly committed to tackling issues and inspiring individuals to reclaim the health of their Durham environment.

On behalf of Keep Durham Beautiful, I thank you in advance for your continuing support.

Sincerely,

Tania Dautlick

P.S. Please show your continued support through **donating now** or **signing up** for our next litter cleanup event!
